

# Parents' Child-rearing Information Sharing Salon

While your children are studying at the Japanese language class,  
let's chat together, parents!

Make friends. It's fun! Feel free to come.

Even if you don't speak Japanese, it's okay!

Japanese volunteers can speak English and Chinese.

You can consult with a Multicultural Kids Coordinator about your  
child, school-related matters, and other concerns.

## ● Time
